**WE RENDER
EFFECTIVE AID
TO CHILDREN**

WHAT WE DO

PRABU HAD A ROUGH START IN LIFE.

After his father was violently murdered, Prabu and his impoverished mother were left to fend for themselves in rural India. Opportunities were scarce. Prabu's mother took him to the REACH school in

Kodimangalam where Prabu was able to receive nine years of free, high-quality education. Prabu went on to college and graduate school. Today, Prabu is the administrator of the REACH school where he got his chance.

PRABU'S SUCCESS IS WHAT REACH INTERNATIONAL IS ALL ABOUT.

REACH International runs schools, orphanages and assistance centers in 24 developing countries across the globe.

Thousands of disadvantaged and needy children—regardless of their race, gender, ethnicity or religion—are getting a chance to break out of poverty.

- In Burkina Faso, 900 children receive an education in 18 schools, some of which also provide life-saving feeding programs.
- In Honduras, two schools serve 500 children K-12; and 64 children have a home at our orphanage.
- In India, we have four schools helping to educate 500 disadvantaged children.
- In Kenya, we operate three orphanages, providing a safe start for these vulnerable children, and an elementary school.
- In Mali, 600 students in four schools receive an education, and we also provide them clothing, food, and school supplies.

YOU CAN HELP END THE CYCLE OF POVERTY

SPONSOR A CHILD

JUST \$25 A MONTH GIVES A CHILD THE OPPORTUNITY TO DREAM.

Many children are awaiting sponsorship. Some don't have parents. Some have parents who can't provide for them. All of them are victims of poverty. All of them deserve a chance.

DONATE

REACH International is a nonprofit organization that relies on donations to run our schools, orphanages and other programs. Ninety cents of every donated dollar goes directly to programs and services.

Your donation helps fund much needed items such as these:

- \$2,500 pays a teacher's salary for a year
- \$1,500 feeds 100 children for a month
- \$500 provides library books for a school
- \$100 buys 5 school desks
- \$50 helps obtain 10 school uniforms

We are also seeking funding for these vital projects:

- \$15,000 to repair a building in Honduras
- \$20,000 to drill a well to provide water for a whole village in Kenya
- \$25,000 to build a clinic in Tanzania
- \$50,000 to repair an orphanage damaged by earthquake in Nicaragua
